of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in Board's Report including Annexure to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with the audit of the financial statements, out responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we required to report that fact.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Management is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India,

including the Accounting Standards prescribed under the Act read with relevant rules issued there under.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

JANNAGAR

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error

and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercised professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances. Under section 143(3)(i) of the
 Companies Act, 2013, we are also responsible for expressing our opinion on whether the
 company has adequate internal financial controls system in place and the operating
 effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of
 accounting and, based on the audit evidence obtained, whether a material uncertainty
 exists related to events or conditions that may cast significant doubt on the Company's
 ability to continue as a going concern. If we conclude that a material uncertainty exists,
 we required to draw attention in our auditor's report to the related disclosures in the
 financial statements or, if such disclosures are inadequate, to modify our opinion. Our

conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

 Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We have conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend upon the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies and the reasonableness of the accounting estimates made by the Company's Management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate, to provide a basis for our opinion on the financial statements.

Report on Other Legal and Regulatory Requirements

Annexure - 2 to the Independent Auditors' Report of even date on the Financial Statements of Khushbu Auto Finance Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Khushbu Auto Finance Limited (hereinafter referred to as 'Company') as of 31st March 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

could have a material effect on the financial statements.

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, or disposition of the company's assets that

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial

statements, including the possibility of collusion or improper management override of

controls, material misstatements due to error or fraud may occur and not be detected. Also,

projections of any evaluation of the internal financial controls with reference to financial

statements to future periods are subject to the risk that the internal financial control with

reference to financial statements may become inadequate because of changes in conditions,

or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

1 Note on Accounts

Corporate information

(a) Khushbu Auto Finance Limited, incorporated on 19-08-1994 is a Non Banking Finance Company registered with Reserve Bank of India with registration certificate no. 01.00311 The company is mainly engaged in the business of lending. Khushbu Auto Finance Limited has a lending portfolio of three-wheeler & two-wheeler vehicle loan in urban and rural India and business loan in real estate

The Company has been classified as NBFC-Investment and Credit Company (NBFC-ICC) under Base Layer in accordance with RBI, vide the Direction- 'Reserve Bank of India (Non-Banking Financial Company - Scale Based Regulation) Directions, 2023 issued on 19 October 2023.

The audited financial statements were subject to review and recommendation of Audit Committee and approval of Board of Directors. On 09th May 2025, Board of Directors of the Company approved and recommended the audited financial statements for consideration and adoption by the shareholders in its Annual General Meeting.

- (b) The disclosures required in terms of Paragraph 31 of the Master Direction-Reserve Bank of India (Non-Banking Financial Company -Scale Based Regulation) Directions, 2023 as amended from time to time are given in the Note No. 31 forming part of these Financial
- (c) The disclosures required in terms RBI Circular DNBS (PD).CC.No.15/02.01/2000-2001 dated June 27, 2001 w.r.t. Asset Liability Management are given in the Note No. 33 forming part of these Financial Statements.

(d) Basis of Preparation

The financial statements of the company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act, 2013, read together with paragraph 3 of the Companies (Accounts)

All assets and liabilities have been classified as current and non – current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of services and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non current classification of assets and liabilities.

Further, the Company follows prudential norms for Income Recognition, assets classification and provisioning for Non-performing assets as well as contingency provision for Standard assets as prescribed by The Reserve Bank of India (RBI) for Non-Banking Financial Companies.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy explained below, if any.

2 Summary of significant Accounting Policies

(a) Use of estimates

The Preparation of $^{f t}$ financial statements in conformity with Indian GAAP requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adiustment to the carrying amounts of assets and liabilities in future periods.

(b) Property Plant and Equipments

Property Plant and Equipments are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditure related to an item of Property, Plant and Equipment is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing Property, Plant and Equipments, including day-to-day repair and maintenance expenditure, and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

(c) Depreciation on tangible/intangible fixed assets

Depreciation on Property, Plant and Equipments is calculated on a straight-line basis using the rates arrived at based on the useful

lives under section 123 of the Companies Act, 2013 Useful lives of assets estimated by management (years)

Notes to the financial statements for the year ended 31 March 2025

(d) Income taxes

Income tax expense is accrued in accordance with AS 22 - ' Accounting for taxes on income' which includes current taxes and deferred taxes. Deferred taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available.

Current tax and deferred tax are charged to profit and loss account of the year. Deferred tax is measured based on the tax rate and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities across various countries of operation are not netted off as the company does not have a legal right to set off.

Deferred tax are recognised for all timing differences of the current year and un-reversed timing differences of earlier years. Unrecognised deferred tax assets of earlier years are re-assessed and recognised to the extent that it has become reasonably certain that future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets are recognised on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty that such deferred tax assets can be realised against future taxable profits.

Tax expense comprises both current and deferred taxes. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable profit will be available against which such deferred tax assets can be realised. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after (e) Earnings Per Share deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

(f) Segment Reporting

The company is engaged primarily in the business of asset financing activities and accordingly there are no separate reportable segments as per Accounting Standard 17 dealing with Segment Reporting.

(g) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. Further, in accordance with the guidelines issued by The Reserve Bank of India for Non-Banking Financial Companies, income on business assets classified as Non-performing Assets, is recognised on receipt basis. Unrealized interest recognized as income in the previous period is reversed in the month in which the loan is classified as Non-performing.

Revenue is recognised on a time proportion basis taking into account the amount outstanding and the applicable contracted rate. Interest Income on Non Performing Assets are reversed as per the RBI norms on NBFC.

Penal charges on business loan are charged when default are made by the borrower as per loan agreement executed. Penal charges ii. Penal charges on asset finance loan are charged where there is reasonable certainty. However, when ultimate collection of the same lacks reasonable certainty, revenue recognition is postponed to the extent of uncertainty.

Interest capitalised at the time of restructuring of advances as per RBI's guideline 'Resolution framework for Covid-19 related stress' dated August 6, 2020, has been reversed to the extent the loan falls under the category on non performing asset and the same has been disclosed under the "Sundry Liabilities Account" as per the instruction given in the guidelines.

Revenue is recognised when company has financed three wheelers of Atul Auto Ltd as per terms and condition agreed upon.

v. Documentation Charges

Revenue is recognised when company disburse loan to the borrower as per the loan agreement.

A provision is recognized when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Khushbu Auto Finance Limited (CIN: U74999GJ1994PLC022816) Notes to the financial statements for the year ended 31 March 2025

(i) Asset Classification and Provision on Non Performing Asset :

A Asset Classification

Asset Classification has been made as per para 14 of Master Direction-Reserve Bank of India (Non-Banking Financial Company -Scale Based Regulation) Directions, 2023 as amended from time to time. The extant NPA classification norm stands changed to the overdue period of more than 90 days for applicable NBFCs. A glide path is provided to applicable NBFCs to adhere to the 90 days NPA norm as under: -

NPA Norms	Timeline
>150 days overdue	By March 31, 2024
>120 days overdue	By March 31, 2025
> 90 days	By March 31, 2026

Loan accounts classified as NPAs may be upgraded as 'standard' asset only if entire arrears of interest and principal are paid by the borrower. In case of borrowers having more than one credit facility, loan accounts shall be upgraded from NPA to standard asset category only upon repayment of entire arrears of interest and principal pertaining to all the credit facilities.

B Provision on Non Performing Asset:

a. Provisions for non-performing assets are made in conformity with RBI guidelines:

Non-performing loans are written off / provided for, as per management estimates, subject to the minimum provision required as per Master Direction-Reserve Bank of India (Non-Banking Financial Company - Scale Based Regulation) Directions, 2023 as amended

Provision on standard assets is made as per Master Direction-Reserve Bank of India (Non-Banking Financial Company - Scale Based Regulation) Directions, 2023 as amended from time to time.

The Company generally does not use the assets repossessed for the internal operations. The underlying loans in respect of which collaterals have been repossessed with an intention to realize by way of sale is considered as loan accounts and classified as NPA or standard assets as per RBI Guidelines. The Company resorts to regular repossession of collateral provided against vehicle loans. As per the Company's accounting policy, collateral repossessed are not recorded on the balance sheet.

Financial assets are written off either partially or in their entirety only when the Company has no reasonable expectation of recovery. If the amount to be written off is greater than the accumulated loss allowance, the difference is recorded as an expense in the period of write off. Any subsequent recoveries are credited to impairment on financial instrument on statement of profit and loss.

d. Restructured, rescheduled and modified loans

The Company sometimes makes concessions or modifications to the original terms of loans such as changing the instalment value or changing the tenor of the loan, as a response to the borrower's request. The Company considers the modification of the loan only before the loans gets credit impaired.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or (j) Contingent Liabilities non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

(k) Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short term investments with an original maturity of three months or less.

(I) Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre payment will lead to, for example, a reduction in future payment or a cash refund.

The Company has created Employee Group Gratuity Fund which has taken a Group Gratuity Insurance Policy from Life Insurance Corporation of India (LIC). Premium on the above policy as intimated by LIC is charged to the profit and loss account. The adequacy of balances available is compared with actuarial valuation obtained at the period-end and shortfall, if any, is provided for in the Thands profit and loss account.

Notes to the financial statements for the year ended 31 March 2025

m) Impairment

The carrying value of assets/cash generating units at each balance sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life to their present value based on an appropriate discount factor.

The company bases its impairment calculation on detailed budgets and forecast calculations which are prepared separately for each of the company's qash-generating units to which the individual assets are allocated. These budgets and forecast calculations are generally covering a period of five years. For longer periods, a long term growth rate is calculated and applied to project future cash flows after the fifth year.

Impairment losses of continuing operations, including impairment on inventories, are recognized in the statement of profit and loss, except for previously revalued tangible fixed assets, where the revaluation was taken to revaluation reserve. In this case, the impairment is also recognized in the revaluation reserve up to the amount of any previous revaluation.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

An assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses may no longer exist or may have decreased. If such indication exists, the company estimates the asset's or cash-generating unit's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit and loss unless the asset is carried at a revalued amount, in which case the reversal is treated as a revaluation increase.

(n) Accounting Policy for Participative preference share

The company has issued in FY 2021-22 Participative Preference Shares(PPS) in accordance with the MoU between Atul Auto Limited, the company and its promoters on following Terms

- 1. PPS shall be redeemable at the end of 5 years from the date of issue.
- 2. Redemption price shall be the Book value on the latest audited/ limited review balance sheet on the date of redemption.
- 3. The PPS shall carry fixed dividend at the rate of 0.001% per annum.
- 4. In the event of declaration of dividend to Equity shareholders, the PPS holders shall be entitled to same rate of dividend.
- 5. In the event of winding up of company, the PPS holders shall carry preferential right on distribution of assets.
- 6. In the event of winding up of company, the PPS holders shall have preferential right with regard to repayment of capital over and above the equity shareholders.
- 7. PPS holders shall not carry any voting rights.

PPS are measured at book value of Equity shares at the end of reporting period. At the time of issue of PPS, the difference between the issue price and its value at initial recognition is set aside from balance of surplus in profit and loss.

Subsequently, at each reporting period, PPS is measured at book value of Equity share in accordance with terms of MoU and the differential gain/(loss) is recognised in statement of profit and loss account.

The Company recognise expenses/(income) in respect of premium on PPS payable to the extent of increase/(decrease) in book value of shares of the company in statement of profit and loss under the head finance cost.
